

SNAG GOLF - TERM 1

2012 TERM 1: Sat 28 January - Tue 27 March
Open to boys and Girls! Ages: 4 - 8 years old

Easy to learn, easy to play and fun!

SNAG Golf is all about having FUN while learning the basics of golf. SNAG is a player friendly, first touch development program designed for children. It incorporates developmentally appropriate equipment that will allow golf to be learned and played in non-traditional venues, such as on a field or in an indoor area at Victoria Park Golf Complex. The program builds on strong fundamentals of the different strokes and swings and develops playing ability quickly and effectively.

The great thing about SNAG® is children do not need to have any golfing experience to enjoy the program and it provides a 100% safe and interactive environment for your child. Whether it is indoors or outdoors SNAG® is available all year round!
